

Jeni Varnadeau, I Need You

i can't make it on my own
can't live all alone
i'm helpless by myself oh oh oh
you lend me a hand
and give me strength to stand
and somehow get me through

its apparent to me and i'm sure you can see
i'm a woman in need

i need more time
i need more money
i need more advice
i need more love
i need another chance and open hands
i need more grace and pretty face
i need happiness
i need an escape
i need more peace
and i need to feel safe
what this all comes down to is
i need you

i try to do it well but know that i have failed
if you weren't there to help oh oh
you show me where to go
say what i need to know
and you know how i feel

its apparent to me and i'm sure you can see
i'm a woman in need

i need more time
i need more money
i need more advice
i need more love
i need another chance and open hands
i need more grace and a pretty face....
i need happiness
i need an escape
i need more peace
and i need to feel safe
what this all comes down to is
i need you

its apparent to me and i'm sure you can see
i'm a woman in need

i need more time
i need more money
i need more advice
i need more love
i need another chance and open hands
i need more grace and a pretty face
i need security, stability
i need more space
and i need more sleep
what this all comes down to
ha
i need more time
i need more money
i need more advice
i need more love
i need another chance and open hands

i need more grace and a pretty face
i need happiness
i need an escape
i need more peace
and i need to feel safe
what this all come down to
what this all comes down to is
i need, i need you
