

Jennifer Brown, Walls

La La La La La La La
La La La La La La La

When I saw you
I thought I knew you
But that too easy for me

Just a glass of red wine
Is like a key to the inside
Where I can run but I just can hide

And I don't wanna say anymore, no more

I JUST CAN TELL YOU I LOVE YOU
IT GONNA TAKE SOME TIME
IE BUILT THESE WALLS ALL AROUND ME
LET SEE IF YOU CAN CLIMB
AND I DON, I DON KNOW WHY THEYRE SO HIGH
BUT I CAN TELL YOU I LOVE YOU

Please don't touch me
Please don't judge me
Just go easy
On me

But my confession
Is that I want you
Maybe that launch you
Over to the other side

CHORUS

I used to be the kind who just surrendered
But I learned love is never real for the pretenders
And I no pretender

CHORUS
