

# Jennifer Hanson, Just One Those Days

I'm sittin' here in this traffic jam  
Cause I took so long to find my keys  
And left the house fifteen mintues late  
Puttin' on my makeup in the rearview  
Dropped mascara on my white pants  
When I slammed on the brakes  
That's when the coffee splattered everywhere  
My cell phone rang, that call I'd been waiting for  
But my hands were occupied  
I think I might as well accpet  
Right here and now  
Today mihgt not be one of those in which I hit my stride

(Chorus)

I don't know why I just can't  
Get it all together sometimes  
But I'm one to whine  
I'll just keep holdin on this roller coaster ride  
It's really come down on my parade  
It's just one of those days

Left my check card on the counter  
Got no cash, so much for lunch  
I got a caffeine buzz from tryin' to stay live  
And my boyfriend's got this ex  
And i ran into her today, of course, how perfect  
She was dressed up to the nines

The elevator shaft is where my keys arenow  
Don't ask me how but I'm stuck here  
'Til I find the maintenance man  
He'll be so proud to help  
But he won't smell too good this time of day  
Especially with that hot beer in his hand

(Repeat Chours)

Hey yeah  
I'm not one to whine  
I'll just keep holdin' on this roller coaster ride  
It's really comin' down on my parade  
It's just one of those days

Just one of those days

Just one of those days
