

# Jennifer Holliday, I Am Changing

Look at me  
Look at me  
I am changing, tryin' every way I can  
I am changing, I'll be better than I am  
I'm trying-to find a way to understand  
But I need you, I need you-I need a hand

I am changing, seeing everything so clear now  
I am changng, I'm gonna start right now, right here  
I'm hoping to work it out, and I know that I can  
But I need you, I need a hand

All my life I've been a fool  
Who said I could do it all alone  
How many good friends have I already lost  
How many dark nights have I known

Walking down that wrong road, there was nothing I could find  
All those years of darkness-can make a person blind  
But now I can see

I am changing, tryin every way I can  
I am changing, I'll be better than I am  
But I need a friend-to help me start all over again,  
oh-that would be just fine  
I know it's gonna work out this time  
'Cause this time I am-This time I am

I am changing, gonna get my life together now  
I am changing, yes, I know how  
I'm gonna start again, I'm leaving my past behind  
I'll change my life-I'll make a vow  
And nothing's gonna stop me now...hey
