

# Jennifer Holliday, I Am Changing

Look at me

Look at me

I am changing, tryin' every way I can

I am changing, I'll be better than I am

I'm trying-to find a way to understand

But I need you, I need you-I need a hand

I am changing, seeing everything so clear now

I am changng, I'm gonna start right now, right here

I'm hoping to work it out, and I know that I can

But I need you, I need a hand

All my life I've been a fool

Who said I could do it all alone

How many good friends have I already lost

How many dark nights have I known

Walking down that wrong road, there was nothing I could find

All those years of darkness-can make a person blind

But now I can see

I am changing, tryin every way I can

I am changing, I'll be better than I am

But I need a friend-to help me start all over again,

oh-that would be just fine

I know it's gonna work out this time

'Cause this time I am-This time I am

I am changing, gonna get my life together now

I am changing, yes, I know how

I'm gonna start again, I'm leaving my past behind

I'll change my life-I'll make a vow

And nothing's gonna stop me now...hey
