## Jennifer Hudson, Leaving Tonight

Song: Leavin' Tonight aka Leaving Tonight

Artist: Ne-Yo, Jennifer Hudson

Written By: (Shaffer Smith & Dr.)
Album: Because of You (Know Me draft)

## (Spoken)

I believe that love & that love & amp; trust are one in the same/

I don't think you can truly love someone unless you trust them/

That blind trust, beyond a shadow of a doubt/ No matter what this person say or that person/

You believe your man/ Now you say you love me/

But everytime one of your little friends come at you with something/we gotta to this.

Momma I'm trying (I'm trying)/
To show you that I'm for real/
Tell me what I gotta do to show you I'm for you/

Jennifer Hudson - Spoken: Just shut up and listen/

Verse 1 - Jennifer:

Two hundred and sixteen/

Thats how many times that I went back and forth about it/ In my mind /Could she (could she) really be, who he's telling me that she is/

That's something about it that don't feel right/ Saturday she called here twenty six times/

Ne-Yo: (Oh you counted?)

You kept telling me not to worry/

Ne-Yo: (Don't worry about it)

Wanna believe that your telling the truth/

Ne-Yo: (So don't doubt it)

But if you are lying to me/

## Chorus:

You're leaving tonight/ outta my life/ Everyone said you ain't no good/ And you proved them right/ Leavin' Tonight / It's over and done / Ain't no sense and trying to / wait til the morning comes/ (Leavin' Tonight)

## Verse 2:

Baby now hold up/ Lets just settle down/
Cus there's a perfect explanation/ To this situation/
That were going through/ (this thing that were goin through)/
I swear that I dont know that girl/ But I seen her around/
And she has expressed how much she want it./
But baby i'm knowing that/ all of me is for all of you /

Said I gotta call like a thousand times/

JHud: (Oh so you counted?)

She kept telling me not to worry/

JHud: (Don't worry about it)

Please beleive I'm telling the truth/

JHud: (I wouldnt doubt it)

I really wish you would beleive in me/

Chorus:

I'm not leavin' tonight/ Girl your my life
All of your friends think i'm no good/ Please don't prove em right/
I'm not leavin tonight/ It's over and done/
Lets leave this alone/ And lets make love til the morning comes/
Not leaving tonight/
