Jennifer Hudson, Overjoyed

Over time, I've been buildng my castle of love just for two though you never knew you were my reason Gone much too far, for you now to say that i've got to fold my castle away over dreams i have picked out a perfect come true though you never knew it was a view i've been dreaming sandman has gone im too far away for you to say come thats some other day Chorus And though you dont believe that they do they do come true for did my dreams come true when i looked at you and maybe too you would believe you too might be overjoyed over love over me over harms i've had painfully turned every stone just to find i have found what i searched to dicover i've come much too far for me not to find the love that i said could never be mine Chorus And though you dont believe that they do they do come true for did my dreams come true when i looked at you and maybe too you would believe you too might be overjoyed over love over me (Repeat)
