

# Jennifer Lopez, Ain't It Funny

Estoy loca enamorda de ti...

It seemed to be like the perfect thing for you and me

It's so ironic you're what I had pictured you to be

But there are facts in our lives

We can never change

Just tell me that you understand and feel the same

This perfect romance that I've created in my mind

I'd live a thousand lives

Each one with you right by my side

But yet we find ourselves in a less than perfect circumstance

And so it seems like we'll never have the chance

refren:

Ain't it funny how some feelings you just can't deny

And you can't move on even though you try

Ain't it strange when you're feeling things you shouldn't feel

Oh, I wish this could be real

Ain't it funny how a moment could just change your life

And you don't want to face what's wrong or right

Ain't it strange how fate can play a part

In the story of your heart

Sometimes I think that a true love can never be

I just believe that somehow it wasn't meant for me

Life can be cruel in a way that I can't explain

And I don't think that I could face it all again

I barely know you but somehow I know what you're about

A deeper love I found in you, and I no longer doubt

You've touched my heart and it altered every plan I've made

And now I feel that I don't have to be afraid

refren:

I locked away my heart

But you just set it free

Emotions I felt

Held me back from what my life should be

I pushed you far away

And yet you stayed with me

I guess this means

That you and me were meant to be
