## Jennifer Lopez, Ant It Funny

Estoy loca enamorda de ti...

It seemed to be like the perfect thing for you & Damp; me It's so ironic you're what I had pictured you to be But there are facts in our lives we can never change Just tell me that you understand & Damp; you feel the same This perfect romance that I've created in my mind I'd live a thousand lives each one with you right by my side But yet we find ourselves in a less than perfect circumstance And so it seems like we'll never have the chance

Ain't it funny how some feelings you just can't deny
And you can't move on even though you try
Ain't it strange when your feeling things you shouldn't feel
Oh , I wish this could be real
Ain't it funny how a moment could just change your life
And you don't want to face what's wrong or right
Ain't it strange how fate can play a part
in the story of your heart

Sometimes I think that a true love can never be I just believe that somehow it wasn't meant for me Life can be cruel in a way that I can't explain And I don't think that I could face it all again I barely know you but somehow I know what you're about A deeper love I've found in you & Donger doubt You've touched my heart & Donger deeper love I've made And now I feel that I don't have to be afraid

Ain't it funny how some feelings you just can't deny
And you can't moved on even though you try
Ain't it strange when your feeling things you shouldn't feel
Oh , I wish this could be real
Ain't it funny how a momant could just change your life
And you don't want to face what's wrong or right
Ain't it strange how fate can play a part
in the story of your heart

I locked away my heart but you just set it free Emotions I felt held me back from what my life should be I pushed you far away & Description with me I guess this means that you & Description me were meant to be

Ain't it funny how some feelings you just can't deny
And you can't moved on even though you try
Ain't it strange when your feeling things you shouldn't feel
Oh , I wish this could be real
Ain't it funny how a momant could just change your life
And you don't want to face what's wrong or right
Ain't it strange how fate can play a part
in the story of your heart

Ain't it funny how some feelings you just can't deny
And you can't moved on even though you try
Ain't it strange when your feeling things you shouldn't feel
