Tekst nowej piosenki 'Can't Get Enough' od Jennifer Lopez (Jlo). Premiera 10 stycznia 2023r.

I just wanna  
I just feel like ooh  
Everytime I see ya  
I just ooh hey

I feel like startin' something  
You got my engine runnin'  
You got the keys to turn me on and on  
You got me acceleratin' I want to celebrate it  
Can't nothing take me out my zone  
It's on

When it feels right nothing else matters  
Is this real life too good to be true  
Take me all night  
I can feel the passion  
In your eyes  
I'm still in love with you

You know I can't get enough  
I love that shit  
You know I can't get enough  
You love that shit  
You know I can't get enough  
Give me all that shit  
Can't get enough  
You know I can't get enough  
I love that shit  
You know I can't get enough  
You love that shit  
You know I can't get enough  
Give me all that shit  
Can't get enough of you  
I'm still in love  
With you boy

I just wanna  
I just feel like  
Everytime I see ya  
It's like oh hey

Give me that touchin' teasin'  
So good I can't believe it  
Don't wanna share with no one else  
You're always the one I needed  
Don't gotta keep a secret  
But I let you keep me to yourself

'Cuz bae it feels like  
Nothing else matters  
Is this real life  
Too good to be true  
Take me all night  
I can feel the passion  
In your eyes  
I'm still in love with you

You know I can't get enough  
I love that shit  
You know I can't get enough  
You love that shit  
You know I can't get enough

Give me all that shit  
Can't get enough  
You know I can't get enough  
I love that shit  
You know I can't get enough  
You love that shit  
You know I can't get enough  
Give me all that shit  
Can't get enough of you  
I'm still in love  
With you boy  
I'm still in love  
With you boy  
I can't get enough of you

It's the way you love me  
The way you touch me  
It's the way look at me  
Can't get enough  
Of you boy
