Jennifer Lopez, I'm Gonna Be Alright (Track Mast

Oh yes

[Jennifer Lopez] It's funny 'cause for a while I walked around with a smile But... deep inside, I could hear Voices telling me "This ain't right" Don't you know, it's not for you I always knew what I had to do But it's hard to get away Cause I love you I just got to say,

I used to say I couldn't do it but I did it Yes I did After telling everybody that I wasn't with it Oh yeah Though it brings tears to my eyes I can feel it And I know inside cause I'm gonna be alright Gonna be alright I said I couldn't do it but I did it Yes I did After telling everybody that I wasn't with it Oh yeah Though it brings tears to my eyes I can feel it And that voice inside says I'm gonna be alright Gonna be alright

[Jennifer Lopez] Friends of mine say to me Say you got control over me You're not alone, I played my part I saw the way you were from the start Could I expect so much from you You had a girl when I first met you Did the best that you could do Now I realize that I can't change you

I used to say I couldn't do it but I did it Yes I did After telling everybody that I wasn't with it Oh yeah Though it brings tears to my eyes I can feel it And I know inside cause I'm gonna be alright Gonna be alright I said I couldn't do it but I did it Yes I did After telling everybody that I wasn't with it Oh yeah Though it brings tears to my eyes I can feel it And that voice inside says I'm gonna be alright Gonna be alright

[Jennifer Lopez] Said I wouldn't walk away Somedays I want to stay Days I want to stay But leaving you is what I need to do Need to do To be okay I need to be Okay I never thought it would be true Would be true Me living without you Living without you [Nas] Huh, this life is crazy

[Jennifer Lopez] So now it's time for me to make that move

I used to say I couldn't do it but I did it Yes I did After telling everybody that I wasn't with it Oh yeah Though it brings tears to my eyes I can feel it And I know inside cause I'm gonna be alright Gonna be alright I said I couldn't do it but I did it Yes I did After telling everybody that I wasn't with it Oh yeah Though it brings tears to my eyes I can feel it And that voice inside says I'm gonna be alright Gonna be alright

Oh, no...

I'm gonna be alright.
