

Jennifer Love Hewitt, Can I Go Now?

Do do do, do do, do do do do do do do do do
What's the point of tryin' to meet you in the middle?
You got your point of view, there's nothing I can do
Can't change your mind, can't leave it all behind
You're livin' in the past
We talk and talk, this goes on for hours
About how I should be, why is it all on me?
Don't wanna fight, don't wanna waste my time
baby this can't last, I'm movin' on, movin' on

(chorus)

Can I go now?
You said what you had to say
Happy you got your way, there's nothing to discuss
(Can I go now?)
Well you're givin' your point of view,
Said what you wanted to, what's the point in us?
(Can I go now)
Oh, say what you had to say,
Happy you got your way, what's there to discuss?
(Can I go now?)
Na na na na now
Can I go, now now

What's the point in tryin' to reach a compromise
When you're the judge and jury?
What's the story?
I can't make you see that I'm not always wrong
I can't make it right, it's time to move ooon
And I'm movin' ooon
hey yeah yeah yeeah yeah!

(chorus)

Well let's call it a day
I'll pack my bags, be on my waayy
Sure don't need to stay, where I'm not welcome anyway
Well now that's alright, and that's okaaaayyy
Ohhhh, yeaaaah

There's nothin' left to do
Maybe I'm not for you
So why don't you let it go
Tell me what's the point in all this
Talk talk talk talk
We could go day and night
Still wouldn't make it right

Can I go now?
Oh say what you had to say
Happy you got your way, there's nothing to discuss
(Can I go now?)
Well you're givin' you're point of view,
Said what you wanted to, what's the point in us?
(Can I go now)
And I'll be on my waaay, yeah
(Can I go now)
Let's call it a daaayyy, ooo
(Can I go now?)
Now, yeah, yeah
Why don't you let me
do do do do do do do do do
(Can I go now?)

Can I, can I go now?

Can I go now?
