

# Jennifer Paige, These Days

Some days I couldn't get up  
I couldn't get down  
I'm bored of everything  
Somehow a little black cloud rained over me  
Someone was making me mad  
Good turned bad and I lose everything  
To get you back  
Just to get you back

But  
These days the world's alright  
The sun shines bright  
I'm kicking off the bad dreams  
These days I don't think twice  
Walk on light  
I'm positively somewhere

(Chorus)  
These days go on long after you've gone  
These days go on long after you've gone  
These days go on and on and on and on and on

Out of the fire into the swimming pool  
Sometimes I drown my tears  
Same old fears came back  
Someone was making me ill  
I bet you're still  
A two, three, four litter word  
Guess you heard  
Pretty little birds fly home

But  
These days the sun kicks in  
The good guys win  
I'm legal in the back seat  
These days I'm safe and sound  
Not dragged down  
You wanna know the reason

(Chorus)  
These days go on long after you've gone  
These days go on long after you've gone  
These days go on and on and on and on and on

Thank you for not being here  
I feel better when you're not sleeping in my head  
Tossin' and turnin' an' messin' up the sheets  
The love we made was incomplete  
Like the shoes on your feet  
The same stuff I've heard it before  
That philosophy's starting to bore me  
Now you won't have to smile and ignore me

These days the karma's right  
The sun shines bright  
I'm kicking out the bad dreams  
These days I don't think twice  
Walk on light  
I'm positively somewhere

(Chorus)  
These days go on (and on and on and on and on)  
These days go on (and on and on and on and on)  
These days go on (and on and on and on and on)
