

# Jennifer Warnes, Somewhere, Somebody

(Andrew Kastner, Larry McNally, Max Gronenthal)

Must be a million boys living in this great big city  
I know that one of them is just right for me  
I've looked uptown, downtown, all around searchin'  
I know he's out there waiting for me

I know somewhere, somebody, lookin', longin'  
Somewhere, somebody, waitin' for me  
Somewhere, somebody, searchin', prayin'  
Tell me where in the world

You know the street lights shine in passin' faces  
I'm just tryin' to catch somebody's eye  
But all the shoulda been's, the woulda been's, the mighta been's and the coulda  
been's  
Slippin' away and just walk right on by

Somewhere, somebody, lookin', longin'  
Somewhere, somebody, waitin' for me  
Somewhere, somebody, searchin', prayin'  
Tell me where in the world

I walk in the rain that's fallin'  
A voice in the distance callin', why  
I run to the empty doorway waitin' for the sun to shine  
When will love be mine

I know that somewhere, somebody, lookin', longin'  
Somewhere, somebody, waitin' for me  
Somewhere, somebody, searchin', prayin'  
Tell me where in the world

Must be a million boys living in this great big city  
I know you're out there waiting for me
