

Jennylyn Mercado, Pump It Up

Pump It Up

Say yeah c'mon
Say yeah c'mon
Everybody say yeah
C'mon DJ!
Pump it up! Pump it up!
Pump it up now!

It's a Saturday night
And we're feeling alright
We're gonna party with everybody
All you boys get down to that funky sound
So want a party with everybody

Shake your butt and knock me out
Coz Sabado Sabado tonight we go
Dancing' tight we gonna feel alright
Just move your body (move your body)

Chorus:
Everybody wants to bogie
So you DJ
Pump it up! Pump it up! Pump it up now!
(2x)
