

# Jens Lekman, If I Could Cry (It Would Feel Like T

If I could cry  
it would feel like this

If I could cry  
it would feel like this

Oh If I could cry  
if I could cry  
if I could cry  
if I could cry  
it would feel like this

If I could cry  
it would feel like this

If I could cry  
it would feel like this

If I could cry  
if I could cry  
if I could cry  
if I could cry  
it would feel like this
