

Jens Lekman, People Who Hate People

there's a reason
why I have a picture of Mick Jagger above my bed
it's there to remind me
that the people all buy resistant shoes
so I think these people hate the blues
run sisters, join me
if you hate me there's no problem
in fact that's all I asked for
when you joined our little gang
'cause there's a thousand things I'd do
rather than spend any time with you
'cause there's a thousand things I'd do
rather than spend any time with you
People who hate people, come together [x6]
kicks, I get
when I listen to Bill Hicks
chicks, I get
if I stop my baby, I won't
'cause there's a thousand things I'd do
rather than spend any time with you
'cause there's a thousand things I'd do
rather than spend any time with you
People who hate people, come together [x4]
