

Jensen Ackles & Jason Manns, Crazy Love

I can feel her heart beat from a thousand miles
And the heavens open every time she smiles
I'm running to her that's where I belong
I'm running to her like a rivers song
She give me love, love, love, love, crazy love
She give me love, love, love, love, crazy love
Shes got a fine sense of humor when I'm feeling down
And I'm running to her when the sun goes down
She takes away my trouble, she take away my grief
She takes away my heartache, And I go right to sleep
She give me love, love, love, love, crazy love
She give me love, love, love, love, crazy love
Yes I need her in daytime
And yes I need her in the night
Yes I want to throw my arms around her
Kiss her hug her and I kiss and hug her tight
When Im returning from a long day
She gives me some sweet lovin It brightens up my day
It makes me righteous, and yes it makes me whole
It makes me mellow right down in to my soul
She give me love, love, love, love, crazy love
She give me love, love, love, love, crazy love
She give me love, love, love, love, crazy love
She gve me love, love, love, love, crazy love
