

# Jeremy Camp, I Know Who I Am

I try so hard but I always fall short.  
So I've Faced the truth of my weakness.  
There's nothing good that I can bring forth, but I stand in the strength of Your presence.  
I've wasted time always trying to face things alone, but I wait here now and I lay it all down.  
I know who I am and I know I'm not able to stand on my own.  
I can't live all alone.  
So I'm taking my hands and I'm reaching them out.  
And I fall down, I fall down for you.  
And I fall down.  
In times of brokenness always You show the depth of love that You bring me.  
I'm kneeling down in Your presence I know.  
Your source of life I'm receiving.  
I place myself in Your arms that will always lead me.  
And I won't let go cause there's nowhere else to go.  
I don't know why the things I want to do I always ran from now,  
Because I know apart from You there's nothing I can do where life will become new.  
And I know who I am and I know I'm not able to stand on my own.  
I can't live all alone.  
So I'm taking my hands and I'm reaching them out, and I know that I'll take everything that's in me.  
And I fall down, I fall down for you. And I fall down for you.
