

# Jeremy Jordan, A Different Man

Come on baby, hey... oh yeah.. baby, I need your lovin' baby.. hey.. oh yeah...

Now that I'm all alone, no one to turn to, no one to call my own, suddenly I realized, that your love y

\*i took advantage of your love girl, and I don't even know what I was thinking of baby, but now I fee

Chorus: come back home to me, you will see a different man.. come back home to me, girl I didn't t

Oh so many broken promises, I always seem to let you down.. and no wonder that you cared for m  
E I could never give.. I took for granted that you'd be back, give me one more chance I have love y
