

Jeremy's, Never Meant To Wake Up

It's hard for me to follow
I try but can't relate
To your stories about people
Who to love and who to hate
And I feel bad
My mind's filled up with guilt
I'm sorry everyone
I never meant to break her heart I

Slowly wake and listen it's
All jazz in my head
Boy I never meant to wake up
But I did

I didn't really understand
You yelled and called me names
But still you told me not to leave
Like nothing really changed

As I slowly wake and listen it's
All jazz in my head
Boy I never meant to wake up
But I did
