

# Jeremy Spencer, Surfin' Girl

Written by jeremy spencer.

Little girl, go gather your surfboard  
Little girl, go gather your surfboard  
Together we'll surf around the world.

Sugar, be my surfin' girl.  
Oh, sugar, be my surfin' girl.  
Together we'll surf around the world.

We'll be ridin' in the surf and we sure will be ridin' high  
I'll do a double spinner almost touch the sky  
So baby, get on your surfboard and ride

Sugar, be my surfin' girl.  
Oh, sugar, be my surfin' girl.  
Together we'll surf around the world.

Sugar my surfin' girl  
Suger my surfin' girl  
Together we'll surf around the world

We'll be ridin' in the surf and we sure will be ridin' high  
I'll do a double spinner almost touch the sky  
So baby get on your surfboard and ride

Little girl, go gather your surfboard  
Little girl, go gather your surfboard  
Together we'll surf around the world.
