

Jeremy Warmasley, If He Breaks Your Heart

If he breaks your heart,
I will break his legs.
If he takes the piss,
I will break his face.
If he fucks it up,
I will kill him stone cold dead.

If he breaks your heart,
will I stand a chance?

If he hangs around,
like an awful smell.
I will have some words,
I will keep you safe.
If he never gets the message,
written loud and clear,
I will write it down.
I will take him down.

If he breaks your heart,
will I stand a chance?

ah a ah a ah ah
ah ah ah ah ah

If he treats you right,
I will be his friend.
I will never sing,
this song out loud.

If he breaks your heart,
I will break his legs.
If he breaks your heart,
I will break his face.
If he breaks your heart,
I will end him, I will.
If he breaks your heart,
I still wont stand a chance.
