Jericho Jones, Hey Man

Hey, man, hey, man Give us peace of love Hey, man, hey, man Give us peace of love.

I'm just a man And devil's below Wait out to keep on very sadder There's only one thing That I've got to know Who's goin' pray gets to heaven.

Hey, man, hey, man Give us peace of love Hey, man, hey, man Give us peace of love.

You're in and you're out You cut in-between And nothin' but is cheatin' and lyin' You've withdrawn your stump You're right and you're wrong And all of your children are cryin'.

Hey, man, hey, man Give us peace of love Hey, man, hey, man Give us peace of love.

Start your beat.

Hey, man, hey, man Hey, man, hey, man Hey, man, hey, man Hey, man, hey, man.

Hey, man, hey, man Give us peace of love Hey, man, hey, man Give us peace of love.

Hey, man, hey, man Keep us peace alone Hey, man, hey, man Give us peace of love.

Hey, man, hey, man Give us peace of love...
