

Jerks Circle, Love Your Drugs

(Verse 1)

Took you down for one more hit,
When you gonna stop that shit,
Til the next time its okay,
Slowly watching your decay.

(Bridge)

Just one more time,
Just one last time.

(Verse 2)

Deep inside the living dead,
Zombie fucks retarded head,
I know just what you will say,
Get the fuck out of my way.

(Chorus)

Why cant you just love me,
Like you love your fucking drugs?
You tell me that you hate it,
But you never get enough.

(Bridge)

Just one more time,
Just one last time.

(Verse 3)

Guess it only mattered when,
I turn my back on you again,
For a second I felt fine,
So I tried to save you one last time.

(Chorus) x2

Why cant you just love me,
Like you love your fucking drugs?
You tell me that you hate it,
But you never get enough.

(Bridge) x3

Just one more time,
Just one last time.

(Verse 4)

Without you I found a way,
And lived to fight another day,
Now youre gone its plain to see,
What the fuck youve done to me!

(Chorus) x2

Why cant you just love me,
Like you love your fucking drugs?
You tell me that you hate it,
But you never get enough...

OF... ME!
