

Jermaine Dupri, With Me Part I

JD: Everything you like is with me
So if you know like I know
This is where you need to be
Chorus: Do you ever wonder when he
Don't come home who he goes to see
And why in the middle of the night
He leaves you alone
Leaves you alone
He's with me
Do you ever wonder when he
Don't come home who he goes to see
Why in the middle of the night
He leaves you alone
'Cause everything he likes is with me
If I was in your shoes
I would have had to let him go
From the first sign of him tryin' to play
If he wants me to stay
You gotta' let all that go
Oh but no
You wanna' stick around
Not believin' what you see
Why you waitin'
Thinkin' everything's gonna' be okay
I got him, I got him right here with me
Chorus
I wanna' call you so bad
And tell you when it started
And what we do
How long it's been goin' on
Why he ain't gonna' never come home
'Cause I know what you didn't do
To make him stay
You see a bad performing
Unfulfilling woman drives a man away
Chorus
As far as I know
He's in good hands
So you can stop callin' all around
Sayin' "Have you seen my man?"
Ain't no need to fuss and fight
Tryin' to make it right (noho)
Certain things ain't meant to be
And that's why that's why
He's right here with me
Jermaine: Everything you like is with me
So if you know like I know
This is where you need to be
(x4)
Chorus
