

Jerry Lee Lewis, Boppin' The Blues

Well all my friends are boppin' the blues it must be goin' round
All my friends are boppin' the blues and it must be goin' round
I love you baby but I must be rhythm bound
Well the doctor told me boy you don't need no pills
Yeah that doctor told me son you don't need no pills
Just a handful of nickels and a jukebox will cure your ills
Well all my friends are boppin' the blues and it must be goin' round
All them cats are boppin' the blues and it must be goin' round
I love you baby but I must be rhythm bound
Well the cat bug bit me man I don't feel no pain
Yeah that jitter bug caught me man I don't feel no pain
I still love you baby but I'll never be the same yeah
Well all them cats are boppin' the blues it must be goin' round
All my friends are boppi' the blues and it must be goin' round
I love you baby but I must be rhythm bound
Well rock bop rhythm'n blues rock bop rhythm'n blues baby
Dock bop rhythm'n blues rock bop rhythm'n blues
Rhythm'n blues it must be goin' round
