

# Jerry Lee Lewis, Boppin' The Blues

Well all my friends are boppin' the blues it must be goin' round  
All my friends are boppin' the blues and it must be goin' round  
I love you baby but I must be rhythm bound  
Well the doctor told me boy you don't need no pills  
Yeah that doctor told me son you don't need no pills  
Just a handful of nickels and a jukebox will cure your ills  
Well all my friends are boppin' the blues and it must be goin' round  
All them cats are boppin' the blues and it must be goin' round  
I love you baby but I must be rhythm bound  
Well the cat bug bit me man I don't feel no pain  
Yeah that jitter bug caught me man I don't feel no pain  
I still love you baby but I'll never be the same yeah  
Well all them cats are boppin' the blues it must be goin' round  
All my friends are boppi' the blues and it must be goin' round  
I love you baby but I must be rhythm bound  
Well rock bop rhythm'n blues rock bop rhythm'n blues baby  
Dock bop rhythm'n blues rock bop rhythm'n blues  
Rhythm'n blues it must be goin' round
