

# Jerry Lee Lewis, Mathilda

My love for you will always be just a faded memory  
Guess I'll cry and cry for you yes no matter what you do  
You gave me love when there was none you know you're the only one  
Yes I'll cry and cry in vain I want my baby back again  
Mathilda I'll cry and cry for you Lord no matter what you do  
Yes I'll cry and cry in vain I want my baby back again  
[ piano ]  
Oh Mathilda I'll cry and cry for you...
