THAT'S ALL THAT MATTERS

(Hank Cochran)

I know I'm not your first love they're just a past memory  
I'm the one who's got you now and that's all that matters to me  
I know other arms have held you but I'm not jealous of these  
Mine are the arms that hold you now and that's all that matters to me  
I came alive when you came along yes you've brought life back to me  
And I don't care what's in your past you're as far as I can see  
I know other lips have kissed you and I know you've been thrilled and pleased  
Mine are the lips that kiss you now and that's all that matters to me  
Yes mine are the arms that hold you now and that's all that matters to me
