

Jerry Reed, Save Your Dreams

Save your dreams and all your special hopes and plans for another day another man
And save your love don't give your heart to a man like me
I got a restless soul I long to be free
But if I should ever fall in love then I'd love someone just like you
But I know that I would never be the man to make your dreams come true
Don't think of me as a man that you could have and hold
And teach to love heart and soul
For it can't be this heart of mine is a restless thing and I'll be gone someday
So save your dreams
