

# Jerry Vale, Moonglow

It must have been moonglow,  
way up in the blue  
It must have been moonglow  
that led me straight to you

I still hear you sayin',  
&quot;Dear one, hold me fast&quot;  
And I started on prayin',  
&quot;Oh Lord,  
please let this last&quot;

We seemed to float right  
through the air  
Heavenly songs  
seemed to come  
from everywhere

And now when  
there's moonglow,  
way up in the blue  
I'll always remember,  
that moonglow gave me you

&lt;Instrumental&gt;

And now when  
there's moonglow,  
way up in the blue  
I'll always remember,  
that moonglow gave me you

that moonglow gave me you
