

# Jerry Vale, My Prayer

My prayer is to linger with you  
At the end of the day  
In a dream that's divine  
My prayer is a rapture in blue  
With a world far away  
And your lips close to mine

Tonight while our hearts are aglow  
Oh tell me the words that I'm longing to know  
My prayer and the answer you give  
May they still be the same  
For as long as we live  
That you'll always be there  
At the end of my prayer

&lt;speaking&gt;

My prayer is to linger with you  
At the end of each day  
In a dream that's divine  
My prayer is a rapture in blue  
With a world far away  
And your lips close to mine

Tonight while our hearts are aglow  
Oh tell me the words that I'm longing to know  
My prayer and the answer you give  
May they still be the same  
For as long as we live  
That you'll always be there  
At the end of my prayer
