

Jersey, Violation Detonation

You can see it in his eyes
In the way he walks and the way he talks
The kids try and break him his father violates him
But he won't wave that SOS white flag

The anger grips his fists
You can see it in his paved face look
Fall? NO WAY!

Violation Detonation

You said I was born to lose
But now I'm living to win
I've answered my beckoning call, and I'm casting the
Seven deadly sins, ON YOU!
On you, and the world that is against you
But he won't wave that SOS white flag

The anger grips his fists
You can see it in his paved face look
Fall? NO WAY!

Violation Detonation

Raise your fist and fight
Face your fears and rise

Fall? NO WAY!
