

# Jesse McCartney, Blow Your Mind

I've been watchin' you  
Can't believe just what I'm seeing  
You've been watching me  
Yea baby, better believe it  
If you wanna dance  
Here's your chance to make it right  
If you want romance  
Baby I'll take you home tonight  
Oh, oh, oh, oh  
I know exactly what you wanna hear  
Oh, oh, oh, oh  
I'm gonna give it to ya

[Chorus:]  
Ooooh, ooooh, ooooh  
Baby girl it's on tonight  
Ooooh, ooooh, ooooh  
I'm a keep ya baby by my side  
Ooooh, ooooh, ooooh  
Hold you close and do you right  
Turn off all the lights and lay back while I blow your mind  
Ooooh, ooooh, ooooh  
Can't stop livin' this life  
Ooooh, ooooh, ooooh  
Let's do it, you and I  
Ooooh, ooooh, ooooh  
Baby I'm a make you mine  
Gonna have to take a deep breath when I blow your mind

She left me on the floor  
Kept me on my knees just begging  
For a little more  
Room was hot the fire burning  
Never leave me girl  
Show you how to keep it goin'  
I'm a rock your world  
Baby the temperature is growing  
Oh, oh, oh, oh  
She leaned over and whispered in my ear  
Oh, oh, oh, oh  
I'm gonna give it to ya

[Chorus]  
So c'mon and let it ride  
I feel it in your eyes  
So tell me anything you want  
Because there's nothing I wouldn't do

[Chorus]
