

# Jesse McCartney, Can't Let You Go

Yeah...

My heart was jumpin' for her  
My head was spinnin' in circles  
My tongue was tied  
I tried, but couldn't find the words  
She had them eyes of fire  
The ones you can't put out  
She saw a sucker for lovin'  
And turned my world around

[Chorus:]

Oh, I just can't let you go  
My mind is not my own  
And I can't eat, can't sleep  
I'm in too deep  
Oh, oh, whoa-oh-oh, I just can't let you go

Whoa, I just can't let you go  
One look in my condition  
I see you in my dreams  
And every night I fight  
To keep my sanity  
She's like a roller coaster  
And I'm afraid of heights  
But still there's nothing to stop me  
From getting off this ride

[Chorus]

So many times I've tried  
To get her out of my life  
But she knows I'm addicted  
To the taste of her lips  
My strength is drifting away  
My body's aching with pain  
I can't hold on  
I can't hold on any longer

[Chorus X2]
