

# Jesse McCartney, Crush'n (from "Lizzie McGuire")

Kisses so candy sweet (sweet)  
I'm crush'n on you

That thing you do  
Makes me lose control  
Cause I'm crushin you  
Cause today and forever  
I'll be loving you

See I'm so confused (should I let you know?)  
How I feel for you  
And I just can't deny, babe im hooked on your love  
I know you got those

[CHORUS]  
Kisses so candy sweet  
I'm begging you on my knees (yeah yeah yeah)  
And loving you head to toe  
I'm crushn on you (baby baby baby, crush'n crush'n)

And if you were mine, I'd never let you go  
Cause you blow my mind  
And when the time is right  
I will give myself to you (yeah baby)  
And I know that if you feel it too  
I think I'm going insane, still I can't get enough of your love  
Oh baby baby baby

[CHORUS x5]
