

Jesse McCartney, Gotta Get The Girl

Gotta gotta gotta get her (get her...)

Gotta get the girl, get the girl...
Gotta get the girl... Mmm mmm...
Gotta get the girl, get the girl... yeah-eah...
Gotta get the girl, get the girl...

You know it feels like a fever coming over me
And I don't know what I'm doing, it's such a crazy scene
'Cause the more that I see her, the more I believe
I'll find a way to get through, she's everything I need

(CHORUS 1)
Been all over the world
And all other girls (all other girls)
Don't compare to the sight that I see

(CHORUS 2)
I just gotta get the girl, get the girl
Gonna make her mine
Wanna get her close to me
I just gotta get the girl, get the girl
Gonna keep on trying till I get the girl for me

Gotta gotta gotta get her, ooh yeah...
Gotta gotta gotta get her, yeah...
Gotta gotta gotta get her for me, oh...
Gotta gotta gotta get her
Gotta gotta gotta get her, yeah... whoa oh oh...
Gotta gotta gotta get her for me

It's like a fire burning deep inside my soul
I'm going crazy, losing my control
And I just wanna love her in a special way
There's nothing like this feeling, I just gotta say

(CHORUS 1)

(CHORUS 2)

Wanna love you baby, wanna treat you right
(yeah-eah, yeah-eah)
When I get you girl, I'm gonna hold you tight
(yeah-eah, yeah-eah)
Ooh, you drive me crazy, gonna lose control
(yeah-eah, yeah-eah)
'Cause I got this feeling that I can't let go
(yeah-eah, yeah-eah)

(CHORUS 1)

Baby, baby...
I just gotta get the girl, (get the girl)
Gonna make her mine
Wanna get her close to me
I just gotta get the girl (get the girl)
Gonna keep on trying (till I get her for me)
I just gotta get the girl, get the girl (my girl)
Gonna make her mine
Wanna get her close to me (oh yeah yeah)
I just gotta get the girl, get the girl (my baby baby baby)
Gonna keep on trying till I get the girl for me (gotta get the girl for me...)
I just gotta get the girl, get the girl
Hoh-oh-oh... my baby baby baby...

Gotta gotta gotta get her,
(I just gotta get the girl, get the girl, gonna make her mine,
wanna get her close to me)
Hoh-oh-oh... gotta gotta gotta get her, yeah
(I just gotta get the girl, get the girl, gonna keep on trying)
My baby baby baby...
Gotta gotta gotta get her for me...
(till I get her for me)

I just... gotta gotta gotta get her
