

# Jesse McCartney, It Happens Every Time (Dream

Can you hear the music playin'?  
Can you feel the rhythm swayin'?  
This is the sound of dreams come true  
And I can promise you that  
You are the one and only  
And I'm the lost and lonely  
We are the perfect dream come true  
And I can promise you that I  
Hear a silly love song in my heart

CHORUS:

It happens every time  
When I see you  
It happens every time  
When I think of you  
It happens every time  
Oh, it's magic when we meet  
Baby, down on dream street

Let me take you by the hand and  
Walk you down the Milky Way 'cause  
You make me feel I'm so alive  
Oh, I promise, baby, I  
Hear a silly love song in my heart

CHORUS

It happens every time  
Oh, it's magic when we meet  
Down on dream street  
When I close my eyes  
There's angels all around  
Singing a love song  
You know it happens every time  
When I see  
Oh, it happens every time

CHORUS
