

# Jesse McCartney, Just Go

I trusted you  
Yeah that would be my first mistake  
Yeah I...I've been lied to  
Your eyes are ice cold blue  
A mirror of the heart inside of you

You can't walk back in my life  
You had your chance to be by my side  
I don't have to hear you cry to know

[Chorus:]  
Just go  
I gave you my word and I promised to love you  
Go, it's over  
You had your chance  
Just go  
There's nothing inside me that still feels connected to you  
To me you're already gone

I got a new love now  
She's my new love now  
And she loves me so  
Takes me where you never took me  
Although you tried too  
Her eyes they read so true  
So different from the way it was with you

I don't need you in my life  
Forgot what it's like to be satisfied  
I don't wanna hear you cry 'cause I know

[Chorus]

Takin' a look at these photographs  
Fightin' my tears I try to relax  
'Cause you came and you left and it all went by so fast

[Chorus X2]

I got a new love now  
I trusted you  
And that would be my first mistake
