

# Jesse McCartney, Just So You Know

I shouldn't love you but I want to  
I just can't turn away  
I shouldn't see you but I can't move  
I can't look away

I shouldn't love you but I want to  
I just can't turn away  
I shouldn't see you but I can't move  
I can't look away

And I don't know how to be fine when I'm not  
'Cause I don't know how to make a feeling stop

[Chorus:]  
Just so you know  
This feeling's taking control of me  
And I can't help it  
I won't sit around, I can't let him win now  
Thought you should know  
I've tried my best to let go of you  
But I don't want to  
I just gotta say it all  
Before I go  
Just so you know

It's getting hard to be around you  
There's so much I can't say  
Do you want me to hide the feelings  
And look the other way

And I don't know how to be fine when I'm not  
'Cause I don't know how to make a feeling stop

[Chorus]  
This emptiness is killing me  
And I'm wondering why I've waited so long  
Looking back I realize  
It was always there just never spoken  
I'm waiting here...been waiting here

[Chorus]
