

# Jesse McCartney, She Drives Me Crazy

I can't stop the way I feel  
The things you do don't seem real  
Tell you what I've got in mind  
'cause we're running out of time  
Won't you ever set me free?  
Just waitin around is killin me

Chorus:

She drives me crazy  
Like no one else..ohh  
She drives me crazy  
I can't help myself

I can't get any rest  
People say that I'm obsessed  
Everything that serious  
But to me there's no surprise

What I have fatal but true  
Things go wrong but they always do

Chorus:

She drives me crazy..ohh  
Like no one else  
She drives me crazy  
I can't help myself

I won't make it on my own  
No one likes to be alone

She drives me crazyohh  
Like no one elseyeah  
She drives me crazy  
I can't help myselfohh yeah

She drives me crazy  
Like no one else  
She drives me crazy  
I can't help myself
