

# Jesse McCartney, That Was Then

Guess you never really know  
Just what you've got  
'Til you finally realize  
She could be gone  
I know that I've been taking you for granted  
For the longest time  
All you wanted  
Was someone who really cares  
And I didn't even  
Notice you were there  
I promise that I'll never ever  
Make that same mistake not twice

That was then  
This is now  
Took some time to come around  
All I wanna do  
Is try again  
Show you how  
I know that it's all about  
Givin' attention to you  
I was a fool for way too long  
What you wanted, I could not see  
That was then  
This is now  
Took some time to figure out  
Love is all you need

Guess I never really thought about it before  
I was thinkin' of myself  
And nothing more  
Didn't even wanna try to find out  
How you really feel (how you really feel)  
Now I see  
That I'm the lucky one  
It's true  
And what we've got  
To know I never want to lose  
I was trippin' in a fantasy  
And missing what was real

That was then  
This is now  
Took some time to come around  
All I wanna do  
Is try again  
Show you how  
I know that it's all about  
Givin' attention to you  
I was a fool for way too long  
What you wanted, I could not see  
That was then  
This is now  
Took some time to figure out  
Love is all you need

I used to be someone  
Who only really thought about  
Themselves and no one else  
And you could tell baby  
But that's before  
I understood  
That when you've  
Got something this good

Gotta let her know  
And I want you to know

You're always my priority  
And I wanna give you more  
Than all the love you need  
Took a little time  
But now you know I finally see  
That you're my world (yeah)

I never want our love to fade ready, willing  
And I'm gonna do whatever it takes  
No I'm never gonna let it all slip away  
'Cause you're my girl, yes you are

That was then  
This is now  
Took some time to come around  
All I wanna do  
Is try again  
Show you how  
I know that it's all about  
Givin' attention to you  
I was a fool for way too long  
What you wanted, I could not see  
That was then  
This is now  
Took some time to figure out  
Love is all you need

You're always my priority  
And I wanna give you more  
Than all the love you need  
Took a little time  
But now you know I finally see  
That you're my world (yes you are)

I never want our love to fade ready, willing  
And I'm gonna do whatever it takes  
No I'm never gonna let it all slip away  
'Cause you're my girl, yes you are

That was then

Comin' around  
And ready to show you how  
I'm gonna change girl
