

Jesse McCartney, Troubles

No matter what I do I can't escape
The troubles bugging me.
Could you tell me how to escape?
These troubles are driving me crazy.

(Chorus)
Tell me now, tell me now
What I've gotta do
These troubles are killing me
Tell me now, tell me now
What I've gotta do
To be more like you

I sit in this cage waiting to escape
What I am I going to do
Do I have to sit around and wait for you
Is that what I'm supposed to do

(Chorus x2)

What do I have to do?
(Repeat 1 time)
