

Jesse McCartney, You Make Me Feel

(Chorus)

You make me feel everything, everything
That you know I wanna feel
When I know a love's for real
You make me feel everything, everything
That you know I wanna feel
And I know you're for real
'Cause you make me feel

(Verse)

I see you watching me baby
Your eyes are saying that you, you want me
You know I want you too, when you want me bad
I say you go ahead cause I show you
Baby come on, come on baby
'Cause you like it, you can come on anytime
I don't mind it
And we know for sure, they do it every beat
When you gonna pick it up
You make me happy
It's like...you do
What you do to me

(Chorus)

You make me feel everything, everything
That you know I wanna feel
When I know a love's for real
You make me feel everything, everything
That you know I wanna feel
And I know you're for real
'Cause you make me feel

(Rapping Part)

Shouldn't care what your girls are saying
You don't need to be hesitating
I know that you
Want me like i want you too
I'm a chance that i know you wanna take
'Cuz i know if you don't you're gonna feel your heart break
Give it up now, give it up,
Let it all go and come to me
Gimme love gimme love now
In the way that I know that you know how
Honey come on over, come on over now
I know that you're tired of playing this game and I'm tired of waiting around
You know baby, you make make me feel, you make me feel

(Chorus)
