

Jessica Andrews, Summer Girl

I drive an Army Jeep
My bumper sticker reads
'Drink 'til he's cute'
That's what I'm gonna do
Ain't got no serious thing
Don't wear a diamond ring
I got a new tattoo
I think you'll like the view
And in my mind
The sun shines
All the time

Chorus:
(Cause) I'm just a summer girl
I wear my flip flops
When I let my hair down
(That's when the party starts)
(The party never stops)
Who needs a boyfriend
I got my girl friends
When we get together
The summer never ends
Yeah yeah, oh oh oh
(I'm just a summer girl)
(Oh, oh, oh, oh)
(Oh, oh, oh, oh)

Tanks tops and cutoff jeans
Bikinis and belly rings
We'll make that scene
When the DJ plays 'Dancin' Queen'
Fellas, lay your money down
We'll let'ya buy a round
Don't push your luck
Don't get more than your hopes up
In my world
Day or night
Rain or shine

(Repeat Chorus)

Rap:
Everybody needs a little bit of sunshine
Everybody needs time to unwind
Everybody's got to have a good time
(I'm just a summer girl)
Everybody get up on your feet
Everybody got to shake your body
Everybody got a right to be free
(I'm just a summer girl)
(Oh, oh, oh, oh)
(Oh, oh, oh, oh)

(Repeat Chorus)

(Repeat Rap)
