

Jessica Andrews, These Wings

Love was always letting me down
You know what I mean
The man of my dreams
Should knock me off my feet
Like you're doing now boy
Now you figured it out, boy, how
How did you reach down inside and
Find a butterfly, I'm a butterfly
Learning how to fly

These wings they fly away, hide away
I want to hide away
These wings they fly away, high away
I want to hide away, oh

Hard, every day was so hard
Now don't they go by
Like riding a slide
Get to the end, fly off into the night, boy, night
Everything is so right, boy, right
Now I could just circle the moon and
Bring it back to you
Bring it back to you
There's nothing I can't do

These wings they fly away, hide away
I want to hide away
These wings they fly away, high away
I want to hide away, oh

Like you're doing now, boy, now
You figured it out, boy, how
How did you reach down inside and
Find a butterfly, I'm a butterfly
Watch me fly

These wings they fly away, hide away
I want to hide away
These wings they fly away, high away
I want to hide away, oh
