

# Jessica Mauboy, Can I Get a Moment?

- Hi Jess
- Can get your number?

Do you have to touch?  
I'm burning up  
How you like the news?  
I'm on the move

Hold up baby  
Won't you let me get a little space?  
No disrespect,  
I'm not impressed right now  
I'm doing me

You're doing close to me  
And it's hard for me to breathe

Can I get a moment?  
Can I get a moment?  
Can I get a moment?  
Can I get a moment?  
Can I get a moment to myself?

Can I get a moment?  
Can I get a moment?  
Can I get a moment?  
Can I get a moment?

Boy what's the rush?  
You're doing way too much  
Don't wanna be rude  
But I'm on the move

Hold up baby  
Won't you let me get a little space?  
No disrespect,  
I'm not impressed right now  
I'm doing me

You're doing close to me  
And it's hard for me to breathe

Can I get a moment?  
Can I get a moment?
