

Jessica Mauboy, Can I Get a Moment?

- Hi Jess
- Can get your number?

Do you have to touch?
I'm burning up
How you like the news?
I'm on the move

Hold up baby
Won't you let me get a little space?
No disrespect,
I'm not impressed right now
I'm doing me

You're doing close to me
And it's hard for me to breathe

Can I get a moment?
Can I get a moment?
Can I get a moment?
Can I get a moment?
Can I get a moment to myself?

Can I get a moment?
Can I get a moment?
Can I get a moment?
Can I get a moment?

Boy what's the rush?
You're doing way too much
Don't wanna be rude
But I'm on the move

Hold up baby
Won't you let me get a little space?
No disrespect,
I'm not impressed right now
I'm doing me

You're doing close to me
And it's hard for me to breathe

Can I get a moment?
Can I get a moment?
