

Jessica Mauboy Feat. Flo Rida, Running Back

These days you barely even say my name
Like you dont really feel the same
Im wondering whats to blame
These nights, I fall asleep wondering where you are
It feels like were falling apart
And its totally breaking my heart
Cause if bein with you means being alone
And never knowing when youre comin home
Then I guess Im better off on my own

(Chorus)
But I cant move on
Cause that means forgettin, forgettin,
Everything we had
Instead I keep running, keep running,
I keep running back
Cause I keep forgettin, forgettin,
You treat me so bad
So I keep on comin, keep comin,
I keep comin back
I keep comin back
(I keep running back)
And I keep running back
(I keep comin back)
I keep comin back
(I keep running back)
And I keep comin, I keep running back
My friends say that I should leave you behind
And stop wasting all my time
They tell me that Im out of my mind
But I know that what we both share is real
And that I been willing to deal
With the way that youre making me feel
Cause if being with you means being alone
And never knowin when youre coming home
Then I guess Im better off on my own
But I cant move on
Cause that means forgettin, forgettin,
Everything we had
Instead I keep running, keep running,
I keep running back
Cause I keep forgettin, forgettin,
You treat me so bad
So I keep on comin, keep comin,
I keep comin back
I keep comin back
(I keep running back)
And I keep running back
(I keep comin back)
I keep comin back
(I keep running back)
And I keep comin, I keep running back

(Flo Rida)
